Addendum # 3

LOI # B00310: Remote End User System and Data base Administrative Support

Opening Time and Date: EXTENDED TO 20 MARCH 02 @ 2:00 PM

1. Can we get more information on the existing O/S, Servers(including back up), Work Stations, Databases and their sizes?

It's the state's position that sufficient information is contained in the LOI.

2. Service Plan Cost:- Should we provide a monthly rate for Off-site maintenance and an hourly rate for Onsite?

Yes, just indicate the type of service next to the rate.

3. Can we design a Service Plan Cost sheet to incorporate the Off-site rates also or is it mandatory to use the same layout as given in the LOI?

Complete the cost proposal matrix the best you can so the state can have a benchmark for comparison. However, you may submit a custom Service Plan Cost sheet as part of your overall proposal.

4. Is registration with the office of RI's Secretary of State mandatory for proposal submittal?

This is a requirement only if selected.
